

Today, we're going by train to start off today's ride!

Kurata Emi here, a first year uni student

And I was drawn in by the charm of brevets

I want to join!

and beautiful scenery!

There's delicious food

Previously, Hinako told me about a type of cycling event called brevet

totally crushed my spirit...

But the huge distances that brevets cover

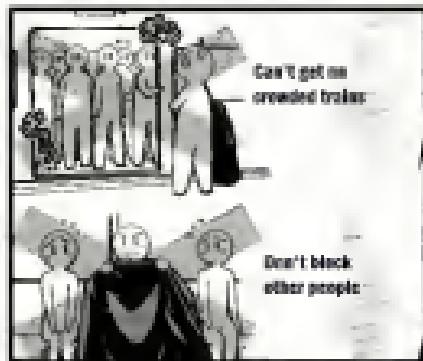

Hinako said brevets weren't the only great thing about cycling and invited me to cycle today

After seeing my reaction,

# ろんぐらいだあす！①

I was wondering how we would get to the meeting point...

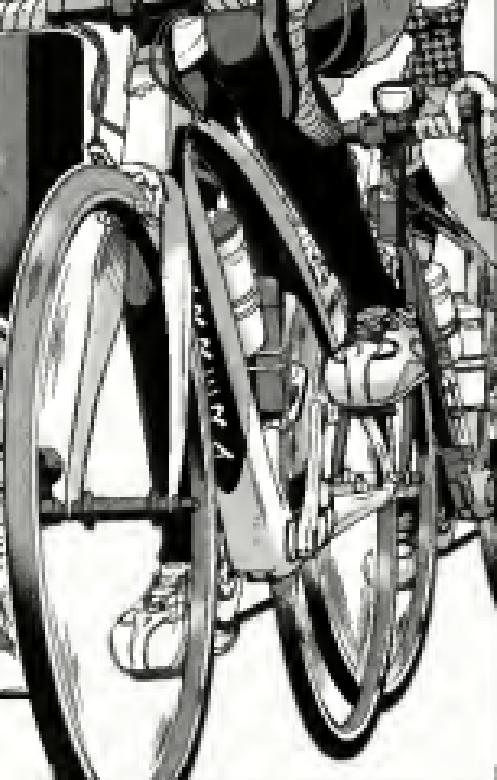

ろんぐらいだあす！①

# ろんぐらいだあす！①

where did you come from?

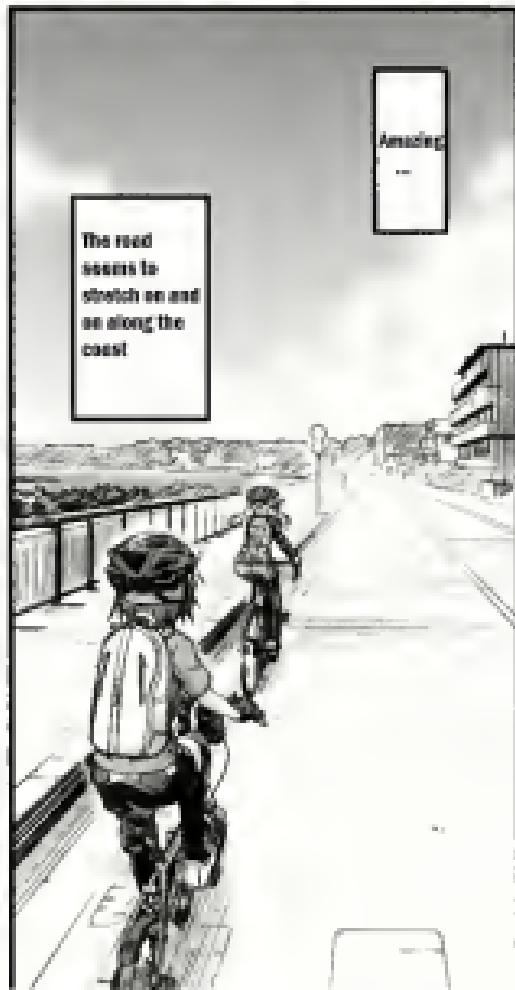

# ろんぐらいだあす！①

This smell is... the sea?

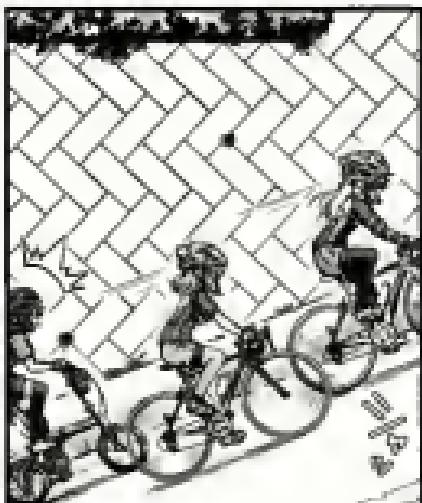

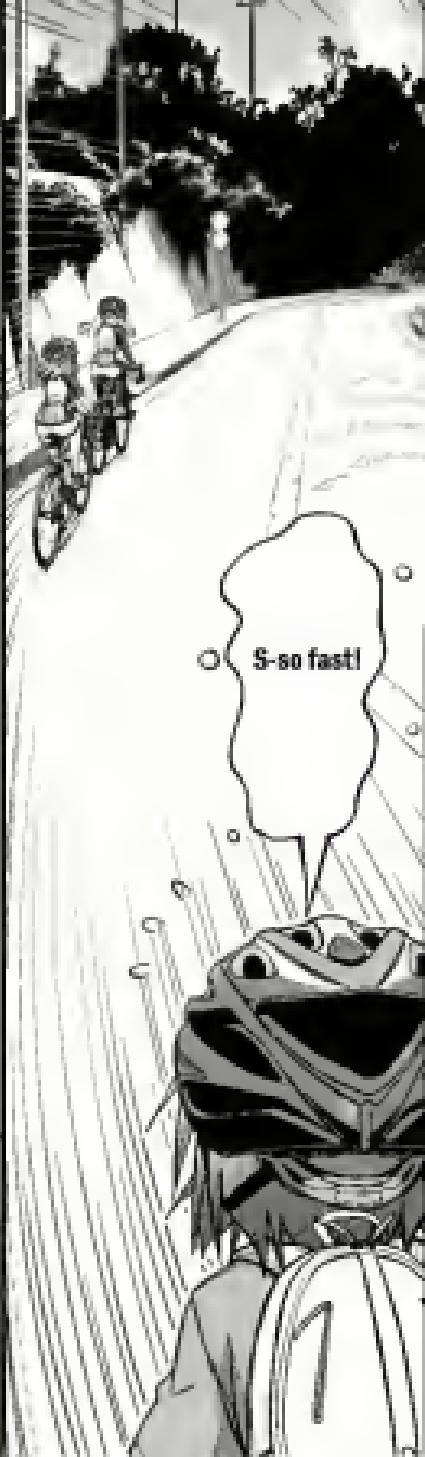

# ろんぐらいだす！①

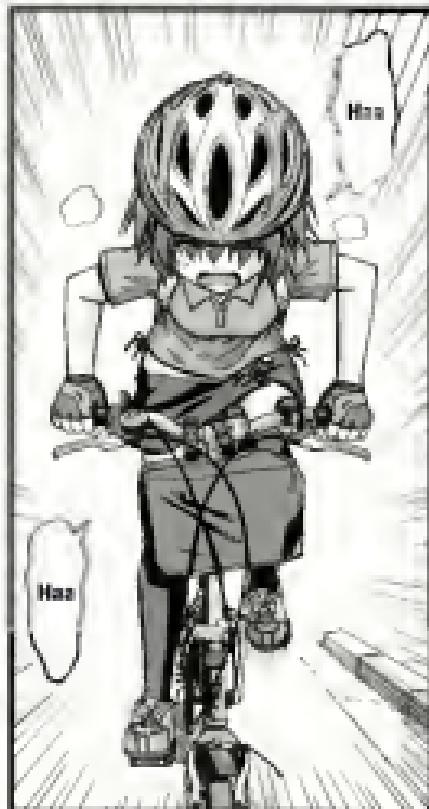

# ろんぐらいだあす！①

Ah...

More importantly,  
go at your  
own pace

It'd be more  
miserable if you  
couldn't reach  
the end

...But how  
do I do  
that?

This hill just  
seems  
impossible...

That's why,  
Ami, you  
should just  
focus on  
slowly  
climbing  
this hill

It's fine if it feels  
slower than  
usual, as long as  
you can keep a  
constant pace  
and keep going

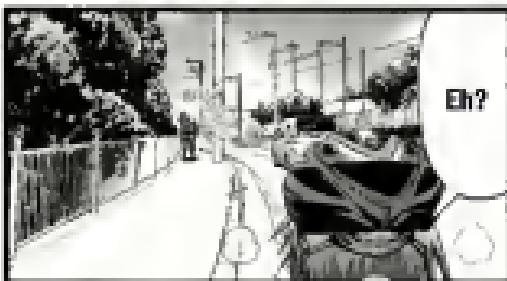

When climbing  
hills, you should  
shift to the  
lowest gear,  
straighten your  
body, and look  
forward

Ah...

# ろんぐらいだあす！①

Yes!

You  
should be  
proud of  
yourself

## ILLUSTRATION GALLERY

・小熊山＆木崎湖・

2012年10月号掲載。新连载予告カットになります。

木崎湖はとても好きな場所で、ついイラストに登場させてしまいました(笑)。  
某アニメ作品の聖地としても有名な木崎湖ですが、  
すぐそばにある小熊山を登りきるとパラグライダー場があり、  
眼下には木崎湖を一望できる素敵なロケーションとなっています。  
登りきったときの達成感は最高で、カットの亞美のよう  
テンション上がりまくりです(笑)。

おひる  
SWEAT!
